Notes:

1. The Statement, pursuant to Section 102 of the Companies Act, 2013, as amended ('Act') setting out material facts concerning the business with respect to Item Nos. 3 and 4 forms part of this Notice. Additional information, pursuant to Regulations 36(3) and 36(5) of the Securities and Exchange Board of India (Listing Obligations and Disclosure requirements) Regulations, 2015, ('SEBI Listing Regulations') and Secretarial Standard- 2 on General Meetings issued by The Institute of Company Secretaries of India, in respect of Director retiring by rotation seeking re-appointment at this Annual General Meeting ('Meeting' or 'AGM') is furnished as an Annexure to the Notice.
2. Corporate Members intending to send their authorized representatives to attend the Annual General Meeting (AGM) are requested to send a duly certified copy of their Board Resolution authorising their representatives to attend and vote at the AGM.
3. Pursuant to the General Circular No. 09/2024 dated September 19, 2024, issued by the Ministry of Corporate Affairs ("MCA") (including other circulars as issued earlier by the authorities in this behalf) (hereinafter collectively referred to as "the Circulars"), companies are allowed to hold Annual General Meeting ("AGM") through VC/ OAVM, without the physical presence of members at a common venue till September 30, 2025. However, the AGM of the Company is being held through physical mode instead of VC/ OAVM. In compliance with the provisions of the Companies Act, 2013 ('Act'), the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations') and MCA Circulars, the 42nd AGM of the Company is being held through physically mode on Monday, 29th September 2025, at 09:00 A.M. (IST).
4. The venue for 42nd AGM shall be at the Registered Office of the Company at E-292, Sarita Vihar, New Delhi-110044.
5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), the Company is pleased to provide its Members, facility to exercise their right to vote at the 42nd AGM by electronic voting system from a place other than the venue of the meeting ('remote e-Voting') and the business may be transacted through remote e-Voting services provided by National Securities Depository Limited ('NSDL'). Remote e-Voting is optional. The facility of voting by ballot/polling paper shall also be made available at the AGM and Members attending the AGM and who have not already cast their vote by remote e-Voting shall be able to exercise their right to cast vote at the AGM.
6. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the company.

7. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.kcl.co.in. The Notice can also be accessed from the websites of the Stock Exchange i.e. MSEI Limited at www.msei.in. The AGM Notice is also disseminated on the website of NSDL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e., www.evotingnsdl.com
8. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
9. Listing Regulations has mandated that for making dividend payments, companies whose securities are listed on the stock exchanges shall use electronic clearing services (local, regional or national), direct credit, real time gross settlement, national electronic funds transfer etc. The companies and the registrar and share transfer agents are required to seek relevant bank details of shareholders from depositories/ investors for making payment of dividends in electronic mode. It is also mandatory to print the bank details on the physical instrument if the payment is made in physical mode. Accordingly, shareholders are requested to provide or update (as the case may be) their bank details with the respective depository participant for the shares held in dematerialised form and with the registrar and share transfer agent in respect of shares held in physical form. For further details about registration process, please contact your depository/ R&TA of the Company.
10. SEBI has mandated the updation of PAN, contact, Bank account, specimen signature and nomination details, against folio / demat account. PAN is also required to be updated for participating in the securities market, deletion of name of deceased holder and transmission / transposition of shares. As per applicable SEBI Circular, PAN details are to be compulsorily linked to Aadhar details by the date specified by Central Board of Direct Taxes. Members are requested to submit PAN, or intimate all changes pertaining to their bank details, mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, specimen signature (as applicable) etc., to their Depository Participant ("DP") in case of holding in dematerialised form or to Company's Registrar and Share Transfer Agents through Form ISR-1, Form ISR-2 and Form ISR-3 (as applicable) in case of holdings in physical form.
11. As per the provisions of the Act and applicable SEBI Circular, Members holding shares in physical form may file nomination in the prescribed Form SH- 13 with Registrar and Share Transfer Agents or make changes to their nomination details through Form SH-14 and Form ISR-3. In respect of shares held in dematerialised form, the nomination form may be filed with the respective DP.
12. Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests, viz. Issue of duplicate securities certificate; renewal/ exchange of securities certificate; endorsement; sub-division/ splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Further SEBI vide its circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/65 dated May 18, 2022 has simplified the procedure and standardized the format of documents for transmission of securities. Accordingly, Members

are requested to make service requests by submitting a duly filled and signed Form ISR-4 & ISR-5, as the case may be.

13. SEBI has mandated that securities of listed companies can be transferred only in dematerialised form. In view of the above and to avail various benefits of dematerialisation, Members are advised to dematerialise shares held by them in physical form, for ease in portfolio management.
14. The Register of Directors and Key Managerial Personnel and their shareholding, Register of Contracts or Arrangements in which Directors are interested and other documents referred to in the Notice and explanatory statement, will be available electronically for inspection via a secured platform without any fee by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection by the Members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to cs@kcl.co.in.
15. Members are requested to notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
16. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company's Registrar and Share Transfer Agents, the details of such folios together with the share certificates along with the requisite KYC documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form
17. Non-Resident Indian members are requested to inform RTA / respective DPs, immediately of:
 - a) Change in their residential status on return to India for permanent settlement.
 - b) Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code number, if not furnished earlier.
18. The Board of Directors of the Company has appointed Mr. Suman Kumar Verma, Proprietor of M/s. SK Verma & Associates, Company Secretaries as Scrutinizer to scrutinize the e-voting during the AGM and remote e-voting process in a fair and transparent manner.
19. The Register of Members and Share Transfer Books of the Company will remain closed from Tuesday, 23rd September, 2025 to Monday, 29th September, 2025 (both day inclusive).
20. The Scrutinizer shall, immediately after the conclusion of voting at the AGM, first download the votes cast at the AGM and thereafter unblock the votes cast through remote e-voting and shall within 48 hours of conclusion of the AGM shall submit a consolidated Scrutinizer's report of the total votes cast in favor of or against, if any, to the Chairman or any other person authorized by the Chairman, who shall countersign the same and declare the result of the voting forthwith.
21. The results along with Scrutinizer's Report, shall be displayed at the Registered Office and Corporate office of the Company and placed on the Company's website at www.kcl.co.in and the

website of NSDL immediately after the result is declared. The results shall be simultaneously communicated to the Stock Exchange where the securities of the Company are listed. The resolutions will be deemed to be passed on the date of AGM subject to receipt of the requisite number of votes in favour of the resolutions.

22. the Route Map of the AGM is annexed in this Notice.

23. INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:

The remote e-voting period begins on Friday, 26th September, 2025 at 09:00 A.M. and ends on Sunday, 28th September, 2025 at 05:00 P.M. MANAGEMENT DISCUSSION AND ANALYSIS

A. INDUSTRY STRUCTURE AND DEVELOPMENT:

Packaging is a growing industrial sector in our country. On account of development in infrastructure, manufacturing, agriculture, service sector and change in life style of the people, the growth in packaging industry has also shown a fast growth. Nowadays the modern retailing channels such as supermarkets and hypermarkets is the main driver towards shifting to packaged goods. As these modern retail outlets are better equipped to showcase packaged products compared to India's traditional retail outlets, the role of packaging in influencing purchasing decisions in-store is greatly increasing and this has made packaging an even more important marketing tool than ever before. Demand for packaging of different types continued to rise in India, out of which Paper-based packaging materials are behind some of the most groundbreaking developments in the industry today. Paper and paper-based packaging is the largest sector in the worldwide market for packaging the products like Electrical & Electronic appliances, medicines, automotives, FMCG, Fresh Produce, textiles, toys, E-Commerce etc.

B. OPPORTUNITIES AND THREATS:

KCL Limited is one of the leading Paper Packaging and Printing Industry in the India. It has provided remarkable packaging solutions to a wide range of industry like: consumer durables, white goods, FMCG, oil industry, engineering and auto components, etc.

We believe that the following aspects of our business will help us to sustain our growth and grow even faster in the times to come,

- Enhancing our customer base
- Modernization and upgradation of our technology.
- Enhancing functional efficiency

Despite the steady growth in the packaging, printing, and food industries, we face several challenges;

- Rise in Input costs
- Reverse auctions initiated by customers
- A shift towards online marketing
- An unorganized market with numerous small players offering lower quality and limited volume
- Rapidly changing technology in printing & packaging industry

C. SEGMENT WISE PERFORMANCE:

Company operations are focused in two primary Business Segments;

1. **Packaging Products**: Engaged in manufacturing of Corrugated boxes, Duplex boards & Printed Cartons situated at different locations.

2. **Food Products**: Engaged in manufacturing of Food products (Extruded cereals products, Asian Fresh Cheese & Tofu).

The Packaging products have major contribution towards total Revenue. However, the food products are also picking up in the market.

D. RISK AND CONCERNS:

- Huge investment required for automated machinery and R&D infrastructure.
- Competitive prices and reverse auctions by customers.
- Adoption of latest quality processes and supply chains.

E. FUTURE OUTLOOK:

- The future of the packaging market is certainly looking bright. Packaging is believed to be the key method of communicating the value-added benefits of a product to the consumers.
- Growth of Indian economy will increase consumption of goods YoY will increase demand of packaging products, opening opportunities in new geographic areas, customer segments and product categories,
- Increasing income levels and changing lifestyles are anticipated to drive consumption across various industries leading to higher demand of packaging product solutions. Additionally, demand from rural sector for packaged products is fueled by the growing media exposure through the internet and television.
- Government initiatives such as the Production Linked Incentive (PLI) Scheme are designed to encourage local manufacturing and enhance exports. Policies of Government of India like Atmanirbhar Bharat, Amrit Kaal, and Viksit Bharat are expected to stimulate growth and improve prospects for the packaging industry in India.
- The increase in demand for food and beverages in India is further fueling the need for packaging solutions.

F. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The audit committee periodically reviews internal control system, which are designated to ensure that the overhead levels are reduced to the minimum.

The Company's internal financial control systems are commensurate with its size and the nature of its operations. These have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use, executing transactions with proper authorization and ensuring compliance of corporate policies.

The audit committee deliberated with the members of the management, considered the systems as laid down and met the statutory auditors to ascertain, inter alia, their views on the internal financial control systems. The audit committee satisfied itself of the adequacy and effectiveness of the internal financial control system as laid down and kept the board of directors informed.

G. HUMAN RESOURCES/ INDUSTRIAL RELATIONS AND EMPLOYEE BASE:

The company, with total employee strength of 380 approx. as of year-end 2024-25. The human resource (HR) strategy is focused on creating a performance-driven environment in the Company, where innovation is encouraged, performance is recognized and employees are motivated to realize their potential.

The processes are continuously evolving and aligning with the changing business requirements. It is structured into the specialized business units to enable them respond better to the needs of their customers and get more strategic advantage. The organization is equipped with multicultural leaders capable to handle tremendous volatility in the economic, regulatory and cultural sphere around the world.

H. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

The Key features of the Company's Financial performance for the year ended 31st March, 2025 are presented in the financial statements, which have been prepared in accordance with the provisions of the Companies Act, 2013 and accounting principles generally accepted in India, and in compliance with the accounting standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, to the extent applicable.

I. CAUTIONARY STATEMENTS

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF KCL LIMITED

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the accompanying financial statements of KCL LIMITED (the 'Company'), which comprise the Balance Sheet as at 31st March, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended and notes to the financial statements, including a summary of the material accounting and other explanatory information (hereinafter referred to as the financial statements).

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the 'Basis for Qualified Opinion' section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2025, and its profit, total comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Qualified Opinion

- a) As stated in note 6.1 in the accompanying statement of financial statements, the Company has outstanding loan given to a related party company, M/s KCL Milk Products India Pvt Ltd, amounting to Rs. 998.25 Lakhs. This related party has negative net worth as per last available audited financial statements. As described in the note, the management, on the basis of its internal assessment, has considered this loan as fully recoverable and in the opinion of management, no provision for diminution of value is required. In absence of sufficient audit evidence to support the management's aforesaid assessment, we are unable to comment upon the recoverability of such loan.
- b) No adjustment of Revenue has been considered in some cases for Variable consideration of freight in terms of Ind AS 115 "Revenue from Contract with Customers") where sale price is inclusive of freight. (Refer Note 37.5)

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of

the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be Key Audit matters to be communicated in our report.

M. No.	Key Audit Matter	Auditors Response
1.	<p>Impairment of Trade Receivables</p> <p>Impairment losses represent management's best estimate of expected credit losses on receivables at the reporting date. The measurement of impairment losses requires management to make a series of judgements and decisions. The Company assesses impairment of trade receivables both individually and collectively at each reporting date. In estimating the amount of impairment losses, which is equal to the Expected Credit Losses (ECL), management takes into account, among other things, the payment history of the receivables and the historical experience of credit losses, and an assessment of both the current and expected general economic conditions at the date of the report. Thus, the key areas of measurement uncertainty and judgements related to the recognition of impairment of trade receivables are as follows:</p> <ul style="list-style-type: none"> the assumptions used to estimate the credit risk of the related exposure and the 	<p>Among others, we have carried out the following procedures in this area:</p> <ul style="list-style-type: none"> Assessing the appropriateness of the Company's impairment methodology against the requirements of relevant financial reporting standards. Understanding and assessing the key internal control systems in place in relation to trade receivables recoveries and impairment testing. Testing the accuracy and completeness of the Company's ECL calculation as at 31st March, 2025 Procedures related to collectively valued trade receivables (based on the expected credit loss (ECL) model) We tested key parameters of the collective impairment model, such as historical information on default rates and their impact on the model, taking into account the Company's own historical credit loss experience.

	<p>client's expected future cash flows;</p> <ul style="list-style-type: none"> • identification of exposures with significant credit risk or credit impairment (default) 	<ul style="list-style-type: none"> • Procedures related to the totality of impairment provisions: • Assessing whether the financial statements' disclosures about expected credit losses related to trade receivables are presented in accordance with the requirements of relevant financial reporting standards.
2.	<p>Revenue Recognition</p> <p>For the year ended 31st March, 2025 the Company has recognized revenue from operations of Rs. 46322.47 Lakhs.</p> <p>Revenue is a key performance indicator and therefore in internal and external stakeholders' focus. Revenue recognition has been recognized as a key audit matter due to diverse and complex revenue streams across the Company.</p> <p>We have identified following key areas for consideration:</p> <p>In line with Ind AS 115, the Company recognizes revenue when a performance obligation is satisfied by transferring control over a promised good or service. Due to the Company's business model, overtime revenues are currently not material.</p> <p>Revenue from the sale of goods is recognised in the income statement when the significant risks and rewards of ownership have been transferred to the buyer. This normally means when a product has been delivered to the customer in accordance with agreed delivery terms.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • Evaluation of internal control activities over revenue recognition and testing of key controls. • Analysis of significant sales contracts to verify correct Ind AS accounting treatment. • Testing timeliness of revenue recognition by comparing individual sales transactions to delivery documents and by checking significant credit notes issued after year-end. • Analysis of revenue transactions using audit and data analysis techniques. • Testing of accounts receivables by requesting confirmations from the company's customers and by reconciling payments received after the year end against the accounts receivable balances at the year end. • Assessed the management judgement and supporting documents around timing of recovery of such costs. • Selected a sample of sales in corrugated box and food segments, made pre and post year end, agreeing the date of revenue recognition to third party support, such as receipts, to confirm sales are recognized according to contract conditions. • Examined invoice samples with various shipping terms to test

		<p>whether revenue has been recognized correctly.</p> <ul style="list-style-type: none"> Assessed the disclosures made by the Company (Also refer para (b) of our basis for qualified opinion & note 37.5)

Emphasis of Matter

- a) We draw attention to Note No. 38.2 in the accompanying statement of financial statements, wherein it has been stated that the company had received certain concerns raised by one of Ex-director and shareholder of the company with respect to matters of corporate governance and some other aspects of accounts of the company. As per the information and explanations given to us, the management has refuted these allegations and the matter is pending before Hon. National Company Law Tribunal and management believes that this would have no impact on financial statements.

Our conclusion is not modified in respect of this matter.

- b) We draw attention to Note No. 56.3 in the accompanying statement of financial statements, wherein it has been stated that the Company has received show cause notice from Metropolitan Stock Exchange as to why the action of issuance of IPN under compulsory delisting not be initiated in the case of your company due to non-compliance of minimum public shareholding as per Regulation 38 of SEBI (LODR) reg. 2025 read with SCN of compulsory Delisting MSE/LIST/2023/1019 dated September 11, 2023.

As stated in the Note, the Management is evaluating various alternatives due to non-compliance of minimum public shareholding and in opinion of the management this will not have any impact on financial results for the quarter and for the year ended 31st March, 2025.

Our conclusion is not modified in respect of this matter.

Information other than the financial statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information, when it becomes available, and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude, that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,

forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of sub-section (11) of Section 143 of the Act, we give in **Annexure A**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit, we report that:
 - a) We have sought and except for the matters described in the Basis for Qualified Opinion paragraph, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) Except for the matters described in the Basis for Qualified Opinion paragraph, in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

viii		There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).				
ix	a	The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.				
	b	According to information and explanations given to us and on the basis of our audit procedures, we report that the company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.				
	c	According to the records of the Company examined by us and the information and explanation given to us during the year no term loan was taken by the company during the year.				
	d	On an overall examination of the financial statements of the Company, funds raised on short - term basis have, prima facie, not been used during the year for long-term purposes by the Company.				
	e	The Company has no Subsidiary, Joint Venture or Associate Company, hence, clause 3 (ix) (e) of the Order is not applicable to the Company.				
	f	The Company has no Subsidiary, Joint Venture or Associate Company, hence, clause 3 (ix) (f) of the Order is not applicable to the Company.				
x	a	The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.				
	b	During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.				
xi	a	No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.				
	b	No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.				
	c	The Company has not received any whistle-blower complaints during the year (and upto the date of this report). However, We draw attention to note 38.2 in the financial statements, wherein it has been stated that the company had received certain concerns raised by one of Ex-director and shareholder of the company with respect to matters of corporate governance and some other aspects of accounts of the company. As per the information and explanations given to us, the management has refuted these allegations and the matter is pending before Hon. National Company Law Tribunal.				
xii		The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable.				
xiii		According to the information and explanations given to us and based on our examination of the record of the company transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.				
xiv	a	To the best of our knowledge and belief and according to the information and explanations given to us, the Company has an internal audit system in place.				

		However, it is not in commensurate with the size and nature of its business and requires further strengthening by focusing on process based internal audit.
	b	The reports of the Internal Auditor for the period under audit have been considered by us.
xv		In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors, hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
xvi	a	In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
	b	In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
xvii		The Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year
xviii		There has been no resignation of the statutory auditors of the Company during the year.
xix		On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
xx		There is no unspent amount under sub-section (5) of Section 135 of the Act, for any project or ongoing project, hence, reporting under clause 3(xx)(a) & (b) is not applicable.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

Referred to in paragraph 2(g) of the Independent Auditors’ Report of even date to the members of KCL Limited on the financial statements for the year ended 31 March 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to Financial Statements of KCL Limited (“the Company”) as of 31st March, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management and Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls with reference to Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company’s internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified for the year ended 31st March, 2025:

- a) The Company did not have an effective internal audit system commensurate with the size, nature and complexities of the business.
- b) The Company did not have an integrated ERP system. One Unit of the company is using different software package for recording financial transactions which requires manual intervention.
- c) The Company did not have effective system for assessing and recognizing the variable consideration of freight where sale price is inclusive of freight.

A 'material weakness' is a deficiency, or a combination of deficiencies, in Internal Financial control over Financial Reporting, such that there is a

reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects/possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate Internal Financial Controls over Financial Reporting and such Internal Financial Controls over Financial Reporting were operating effectively as on March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company as at 31st March 2025, and these material weaknesses have affected our opinion on the financial statements of the Company and we have issued a qualified opinion on the financial statements.

The products are supplied to reputed buyers in the field of FMCG products, Auto Sector & Food Industries. The Company has two major segments Packaging Products and Food Products.

The financial statements were approved and authorised for issue in accordance with the resolution of the Company's Board of Directors on 30th May, 2025

2 MATERIAL ACCOUNTING POLICIES

Compliance with Ind AS

The financial statements (hereinafter referred as Financial Statements) comply in all material respects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the 'Act') [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

2.1 Basis of preparation

The Financial Statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015. These financial statements includes Balance Sheet as at 31st March 2025, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Cash Flows and Statement of Changes in Equity for the year ended 31st March 2025, and a summary of material accounting policies and other explanatory information (together hereinafter referred to as Financial Statements).

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Historical Cost Convention

The financial statements have been prepared on accrual and going concern basis under historical cost convention, except for the following:

- 1) certain financial assets and liabilities that are measured at fair value;
- 2) defined benefit plans - plan assets measured at fair value.

Company's financial statements are presented in Indian Rupees, which is also its functional currency. All amount in the financial statements and accompanying notes are presented in lakhs and have been rounded-off to two decimal place in accordance with the provisions of Schedule III, unless stated otherwise.

2.2 Use of Estimates

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/ materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

2.3 Classification of Assets and Liabilities

Schedule III to the Companies Act, 2013 requires assets and liabilities to be classified as either Current or Non-current.

- (a) An asset shall be classified as current when it satisfies any of the following criteria:
 - (i) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
 - (ii) it is held primarily for the purpose of being traded;
 - (iii) it is expected to be realized within twelve months after the reporting date; or
 - (iv) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.
- (b) All assets other than current assets shall be classified as non-current.
- (c) A liability shall be classified as current when it satisfies any of the following criteria:
 - (i) it is expected to be settled in the Company's normal operating cycle;

- (ii) it is held primarily for the purpose of being traded;
- (iii) it is due to be settled within twelve months after the reporting date; or
- (iv) the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.
- (d) All liabilities other than current liabilities shall be classified as non-current.
Deferred tax assets and liabilities are classified as non-current.

2.4 Operating Cycle

An operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. The Company has ascertained the operating cycle as twelve months for the purpose of current or Non-current classification of assets and liabilities.

2.5 Inventories

Raw Material, Work-in-Process, Finished goods are valued at lower of cost and net realisable value, after providing for cost of obsolescence and other anticipated losses, wherever considered necessary. Cost is computed on the weighted average basis and is net of recoverable taxes, where as Stores and Spares parts are valued at cost on basis of FIFO method. Finished Goods, Work in Process includes cost of conversion and other cost incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make sale.

2.6 Property, Plant and Equipment

Tangible Assets

Property, plant and equipment is stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

Gains or losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss. Depreciation is provided on a pro-rata basis on the W.D.V method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013.

Freehold land is not depreciated.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate. For new projects, for direct expenses and direct overheads including interest on Borrowed funds for the acquisition of Assets are capitalized till the assets are ready for intended use. Upon first-time adoption of Ind AS, the Company has elected to measure all its property, plant and equipment at the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS i.e., 1st April 2016.

Intangible Assets

Separately purchased intangible assets are initially measured at cost. Intangible assets acquired in a business combination are recognised at fair value at the acquisition date. Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. Finite-life intangible assets are amortised on a straight-line basis over the period of their expected useful lives. Estimated useful life by major class of finite-life intangible asset is as follows:

Computer software - 3 years

The amortisation period and the amortisation method for finite-life intangible assets is reviewed at each financial year end and adjusted prospectively, if appropriate.

Investment properties

Investment properties are properties held either to earn rental income or capital appreciation or for both but not for sale in the ordinary course of business, use in production or supply of goods or services or for other administrative purposes. Investment properties are initially measured at cost including transaction cost. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation or impairment loss. Depreciation on investment properties are provided over the estimated useful life and is not different than useful life as mentioned in schedule II of the Companies Act 2013.

Investment properties are derecognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the assets is recognised in profit or loss in the period of derecognised.

Though the company measures investment properties using cost based measurement, the fair value of investment properties is disclosed in the notes. Fair value are determined by using circle rates of the concerned registration authority.

Gains or losses arising on retirement or disposal of investment property is recognised in the Statement of Profit and Loss. Depreciation is provided on a pro-rata basis on the W.D.V method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013.

2.7 Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of Assets. Qualifying Asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are treated as period cost and charged to the statement of profit and loss in the year in which it was incurred.

2.8 Impairment of non-financial assets

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

2.9 Revenue Recognition

The Company generally follows Mercantile System of Accounting and recognises significant items of income and expenditure on accrual basis except claims those with significant uncertainties e.g insurance claims which are accounted for on cash basis.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, incentive schemes, if any, as per contracts with customers. Taxes collected from customers on behalf of Government are not treated as Revenue.

Interest income is recognized on at time proportion basis taking into account the amount outstanding and the rate applicable. Dividends are recognised in profit and loss only when the right to receive payment is established.

Export incentives are accounted for on exports of goods, if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.

2.10 Foreign Exchange Transaction

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transactions.

Monetary items denominated in foreign currencies at the year end are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognized as exchange difference and the premium paid on forward contracts is recognized over the life of the contract. Any profit or loss arising on cancellation or renewal of forward exchange contracts are recognized as income or as expenses for the year.

Non-monetary items are carried at cost.

Any income or expense on account of exchange difference either on settlement or on translation is recognized and is reflected separately in the Statement of Profit & Loss.

2.11 Employees Benefits :-

Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and the undiscounted amount of such employee benefits are recognised in Statement of Profit and Loss in the period in which the employee renders the related services. These benefits include salaries, wages, bonus, performance incentives etc.

Defined Benefit Plan

Gratuity and long-term compensated absences are provided for based on actuarial valuation carried out at the close of each period. The actuarial valuation is done by an Independent Actuary as per projected unit credit method.

For defined benefit plans, the amount recognised as 'Employee benefit expenses' in the Statement of Profit and Loss is the cost of accruing employee benefits promised to employees over the year and the costs of individual events such as past/future service benefit changes and settlements (such events are recognised immediately in the Statement of Profit and Loss). The amount of net interest expense calculated by applying the liability discount rate to the net defined benefit liability or asset is charged to 'Employee benefits expense' in the Statement of Profit and Loss. Any differences between the interest income on plan assets and the return actually achieved, and any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised immediately in 'Other comprehensive income' and subsequently not reclassified to the Statement of Profit and Loss.

Defined Contribution Plan

Contributions to defined contribution schemes such as employee state insurance scheme, employee provident fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution, in respect of certain employees, is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

2.12 Cash & Cash Equivalents

Cash and Cash Equivalents comprises cash and cash on deposit with banks. The company considers all highly liquid investment with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

2.13 Cash Flow Statement

Cash flows are reported using the indirect method in accordance with Ind AS 7 "Statement of Cash Flows", whereby a profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, financing and investing activities of the Company are segregated.

2.14 Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

Current Tax:

Provision for Taxation is ascertained on the basis of assessable profit computed in accordance with the provisions of Income Tax Act, 1961.

Deferred Tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

2.15 Leases

The Company has adopted Ind AS 116-Leases, using the modified retrospective method. The Company has applied the standard to its leases with the cumulative impact recognised on the date of initial application. Accordingly, previous period information has not been restated.

The Company's lease asset classes primarily consist of leases for Land and Buildings. The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (shortterm leases) and leases of low value assets. For these shortterm and leases of low value assets, the Company recognises the lease payments as an operating expense on a straightline basis over the term of the lease

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

2.16 Provision and Contingent Liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

2.17 Financial Instruments

a). Financial Assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset. Financial assets are subsequently classified and measured at

- amortised cost
- fair value through profit and loss (FVTPL).

Investments in unquoted equity shares of Subsidiaries and related parties

A subsidiary is an entity controlled by the Company. Control exists when the Company has power over the entity, is exposed, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over entity. Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. The Company has accounted for its investments in unquoted equity shares of Subsidiaries and other related parties at cost.

Investments in subsidiaries are carried at cost as per Ind AS 27. Cost comprises price paid to acquire investment and directly attributable cost. The investments in Subsidiaries are carried in these financial statements at historical 'cost', except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for as Non-current assets held for sale and discontinued operations. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

Other investments in quoted equity share

All quoted equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

b). Financial Liabilities

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.

Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

2.18 Earnings per Share

Earning Per Share (EPS) is calculated by dividing the Net Profit or Loss for the period attributable to equity shareholders by the Weighted Average Number of equity shares outstanding during the period.

For the purpose of calculating Diluted Earning Per share, the Net Profit or Loss for the period attributable to equity shareholders is divided by the Weighted Average Number of shares outstanding during the period after adjusting for the effects of all dilutive potential equity shares.

2.19 Recent Accounting Pronouncement

For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.

The Ministry of Corporate Affairs (MCA) has issued amendments to Ind AS 21, The Effects of Changes in Foreign Exchange Rates, through the Companies (Indian Accounting Standards) Amendment Rules, 2025. The amendments are effective for annual periods beginning on or after April 1, 2025, with early adoption permitted. The Company is in the process of evaluating the potential impact of these amendments on its financial statements.

Capital Reserve:

Capital reserve was created from government subsidy received in earlier years.

Securities Premium Reserve:

The amount received in excess of face value of the equity shares is recognised in Securities Premium Reserve. This reserve can be utilised in accordance with the provision of the companies act.

General Reserve:

The general is used time to time to transfer profit from retained earnings for appropriation purposes. As the general reserve is created by transfer from one component of equity to another equity, hence item included in general reserve will not be reclassified subsequently to profit and loss. Mandatory transfer to General Reserve is not required under companies act,2013

Retained Earnings:

Retained earnings include all current and prior retained profits.

Retained Earnings are the profits that the company has earned till date less any transfer to General Reserve, dividends or other distributions to shareholders.

Other Comprehensive Income:

Other components of Equity includes Other Comprehensive Income arising due to remeasurement of defined benefit obligations and investments valued at fair value through Other Comprehensive Income.

The Company's borrowings have been contracted at floating rates of interest, which resets at short intervals. Accordingly, the carrying value of such borrowings (including interest accrued but not due) approximates fair value.

* The carrying amounts of trade receivables, trade payables, cash and cash equivalents, investments bank balances other than cash and cash equivalents and other financial assets and liabilities, approximates the fair values, due to their short-term nature. The other non-current financial assets represents security deposits given to various parties, loans and advances to employees and bank deposits (due for maturity after twelve months from the reporting date), and other non-current financial liabilities, the carrying value of which approximates the fair values as on the reporting date.

Fair Value hierarchy

Level 1 :	Quoted prices in the active market. This level of hierarchy includes financial assets that are measured by reference to quoted prices in the active market.
Level 2:	Valuation techniques with observable inputs. This level of hierarchy includes items measured using inputs other than quoted prices included within Level 1 that are observable for such items, either directly or indirectly.
Level 3:	Valuation techniques with unobservable inputs. This level of hierarchy includes items measured using inputs that are not based on observable market data (unobservable inputs). Fair value determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instruments nor based on available market data. The main item in this category are unquoted equity instruments.

Valuation processes

The fair value of unquoted equity instruments or equity instruments where market data is not available is determined on the basis of best available information.

b. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk ; and
- Liquidity risk

Risk management framework

Financial risk management within the Company is governed by policies and guidelines approved by the senior management and the Board of Directors. These policies and guidelines cover interest rate risk, credit risk and liquidity risk. Company policies and guidelines also cover areas such as cash management, investment of excess funds and the raising of short and long-term debt. Review of the financial risk is done regularly by the senior management and the Board of Directors.

KCL LIMITED

Notes on Financial Statements for the Year ended 31st March, 2025

46 Financial risk management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company finance department is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

Management of liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance Sheet date:

Management of financial market risk

Financial market risk is the risk of loss of future earning, fair values or future cash flows that may result from a change in the price of financial instrument. The value of a financial instrument may change as a result of change in the interest rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investment and deposits, payables and loans and borrowings.

The Company manages financial market risk through finance department, which evaluates and apply the risk mitigation strategy as approved by Audit Committee. The means of cash sources, borrowing strategies, and ensuring compliance with market risk limits and policies are also monitored.

Management of credit risk

a). Trade Receivable

The Company is exposed to credit risk from its operating activities (primarily trade receivables). Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable.

The Company considers the probability of default upon initial recognition of assets and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. The Company's concentration of risk with respect to trade receivables is low, as its supply are made to the renowned customers.

The company's exposure to credit risk for trade receivable, refer note no. 40

The Company continuously reviews the credit given and the recoverability of the amounts due. Majority of trade receivables are from the customers with whom the Company has long outstanding satisfactory dealings.

Movement in the loss allowance in respect of trade receivables:

b). Other financial assets

The Company maintains exposure in cash and cash equivalents, term deposits with banks and investment in equity shares. The Company has given inter-corporate deposits (ICD) to its related parties amounting to Rs. 1022.02 Lakhs (31st March, 2024: Rs.1015.33 Lakhs).

The Company's maximum exposure to credit risk as at 31st March, 2025 and 31st March, 2024 is the carrying value of each class of financial assets.

(iii) Market risk

Market risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: currency risk and interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

The Company's operations are mainly in India and therefore rupee denominated, except import of some raw materials and stores.

Currency risk

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

Exposure to currency risk

The Company did not have any exposure to currency risk, as expressed in Indian Rupees, as at March 31, 2025 and March 31, 2024.

47 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value and is to safeguard the Company's ability to continue as a going concern.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. Net Debt is calculated as loans and borrowings less cash & marketable securities.

Particulars	31st March 2025	31st March 2024
Borrowings (note 18)	3387.77	1365.70
Less: cash and cash equivalents (note 10)	401.65	676.30
Net Debt (A)	2986.12	689.40
Total Equity (note 16 and 17) (B)	14284.23	13303.98
Gearing ratio [A/(A+B)] %	17.29%	4.93%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2025 and March 31, 2024.
